

IB Course Selection

- Course selection is divided by the language pathway you choose: French Immersion (Higher Level), Core French (Standard Level), or beginner Spanish (ab initio).
- Please choose one course from each Group. All students take TOK.
- Please make sure you have 3HL and 3SL possibilities in your selection. When a course says (HL or SL) it means you have the option to choose if it is HL or SL at the beginning of Grade 12.
- All students begin in the same math course at the beginning of grade 11. There will be a variety of math options to choose from at the end of semester one. SL or HL will be determined at this time.
- Students who successfully meet the requirements for an IB Diploma also meet Nova Scotia Graduation Requirements.
